PROFESSIONAL EXPERIENCE

MARKETING DEPT, PASONA NORTH AMERICA INC. | TORRANCE, CA | OCTOBER 2021 – PRESENT

Marketing Data Analyst

- Analyzed complex business data using SQL, Python, and Excel to uncover trends and patterns; delivered actionable insights through data visualization and advanced statistical methods, enabling key stakeholders to implement strategies that boosted customer satisfaction scores by 60%.
- Spearheaded end-to-end webinar initiatives, collaborating with clients on scheduling, recording, editing, and producing recaps; leveraged social media and video hosting platforms to maximize exposure, leading to a 25% uptick in homepage traffic and stronger digital engagement metrics.
- Executed high-impact email campaigns, managing 5–10 campaigns monthly and deploying 80,000 emails; harnessed data to optimize targeting, improving open and click-through rates, strengthening customer retention and generating marketing ROI.
- Enhanced B2B email strategies through rigorous A/B testing and automation of surveys; expanded touchpoints and improved segmentation to deepen customer engagement, increasing conversion rates by 40% and fortifying long-term client relationships.

BUSINESS PROCESS REENGINEERING DEPT, PASONA NORTH AMERICA INC. | TORRANCE, CA | MAY 2019 – OCTOBER 2021

RPA Consultant

- Directed consulting projects by engaging stakeholders to analyze workflows, define project scopes, and map AS-IS and TO-BE processes; identified bottlenecks and implemented process enhancements that elevated task efficiency by an average of 78%.
- Delivered payroll and tax system implementations for client firms, optimizing financial operations to secure \$1 million in personnel cost savings over a 10-year projection; ensured compliance and scalability for future organizational growth.
- Automated repetitive business tasks using RPA software (UiPath, Power Automate) integrated with QuickBooks Desktop and SAP; achieved a 70% boost in productivity, enabling teams to reallocate resources toward strategic, high-value initiatives.
